"A full service landscape company"

Seasonal News....

Our new website! We are excited to release our new website. Our hope is that you were able to navigate the site easily and learn enough about Trussum Pond to urge you to consider us a landscape contractor you can trust.

Pre-season Pricing Specials To help kick off our 2008 season we are offering reduced pre-season pricing to clients that contract for their projects early. The special pricing is applicable to any of our services.

Grounds Maintenance... spring cleanup to mowing services for the entire season, now is the time to contact us for an estimate. Mulch installation, annual color to your beds, Trussum Pond can provide quality service.

Irrigation System Upgrades-Save water! Trussum Pond Lawn Irrigation can provide you with upgrades to your existing irrigation system such as rain & rain/freeze sensors, controllers with on-site weather monitors or PC controlled systems. These systems can help you save hundreds of dollars off your water bill. Now is the time to have these systems installed prior to spring startup. Call today to receive a free estimate.

Water Features! Soothing sound of water... consider adding a water feature to your outdoor oasis. Garden ponds, water falls, koi ponds, pondless water falls or floating fountains, Trussum Pond can install them all.

What to do with that tax refund? Invest it into your landscape, the average return on any landscape renovation is 14-17%. We offer 180 days same as cash, so get your project started now and pay for it when your return arrives.
